Dear Governor Romney,

Officially by the history of China, I am China's current succession emperor-in-exile (refer to the above website for details). Most people in Hawaii, about 80 percent, are Democrats and it is very tough being a Republican in a democrat state. Being China's current succession emperor in exile, I try to be non-committal. When I was a teenager, though, in high school, I was a member of Hawaii's Young Republicans. I remember voting for Nelson Rockefeller in the Young Republican mock election, back then, and I view you, your philosophy and candidacy, as being in the same vein as the former Republican presidential candidate Nelson Rockefeller.

I am writing this letter with the hope that you could help me financially as I am poor (without any money), disabled, unemployed, and homeless. I have a bad back from about 36 years ago, when I worked as a carpenter's apprentice and, additionally, I have two bad knees. Torn ligaments, bone spurs and fractures, as well as torn meniscus in both knees. I believe, but I do not know for sure, if this is a permanent condition. A very sad condition for someone who is supposed to achieve great feats in China in the near future (refer to my websites mentioned above) as China's current succession emperor, now living abroad in the United States of America in the State of Hawaii.

I am a childhood friend of Tim Quinn, son of Hawaii's late Governor William F. Quinn (http://en.wikipedia.org/wiki/William_F._Quinn), when we were both in the Young Republicans back in the late 50's or 60's.

If there is anything that you or anyone else can do for me, an international celebrity, a very decent, upright, and disabled man, China's official emperor in exile, please do not hesitate to do so. And, additionally, if you can, can you let other people, including the media (over 1,400 news sources in the United States of America alone), know about me.

It's no fun to be poor, homeless, and disabled in the greatest and most abundant country in the entire world. It's no fun to be poor and helpless, when one is China's emperor in exile living in exile in the United States of America.

Your help and the help of your nation would most certainly be appreciated. After sending over 250 letters to President Obama and not getting a reply back from him, I am wondering if anyone in this good, great, and wonderful nation cares about a good man who will one day have the opportunity to govern all of China and will bridge the political gap between China and the United States of America, so as to insure peace and freedom from war and political conflicts.

Sincerely yours,

Handwritten signature of Yao Sui in black ink, reading '燧驥' (Suiji).
