Dear President Hu Jintao and Premier Wen Jiabao,

Officially by China's history, I am China's Han-Chinese emperor in exile. I am not your nation's enemy. I do not believe in the overthrow of China's communist party. I believe in China and in China's current governing regime and I would imagine that your government has many enemies wanting to destroy you for their own personal gains. I am not one of these.

I am a truly good man. A true Christian and servant of God's. As an American, I believe in the high ideals of this nation.

I wish that your government could recognize me and have me and my family return home to China to be a part of China. I am a Christian and Methodist. I would not mind Christianizing China and ushering in a new age of democracy and democratic freedoms. No nation is perfect and America has its faults. In Iraq, we killed 2,000,000 innocent people. Saddam agreed to the withdrawal, but the White House reneged.

I wish that I were in China now to develop China's internal structure and growth. I would like to, also, be in charge of overseeing China's foreign policy. My stand in life is with the Christian god. I am not a proponent of church dogma, which is manmade. I am in favor of the true teachings contained in the Holy Bible. I am willing to go up against any man or nation in an effort to maintain fairness for the Chinese people.

This week Secretary Clinton is coming to China to strong arm China into acceptance of unfavorable trade and monetary measures. The US is bankrupt and their illegal President has bankrupted their nation by overspending. If I were President in China (1) all Chinese people would learn and know about God. Every knee would bow down to Jehovah, god of the Chou Dynasty ancestry and not to the man of lawlessness who is mentioned in the Bible. Prophesied and foretold.

It takes true strength to stand up for the true Christian god and against the powers of men. With me in China, China will become a Christian land and a land which is willing to work hand in hand with an upright and righteous America. I abhor crookedness and corruption. I do not favor the US cheating a poor nation of lowly peasants in order to allow her people to survive. If America is bankrupt it is due to her leaders and people as they have refused to listen to reason and have refused to listen to God.

Hillary is coming to strong arm you!

I asked Secretary Clinton and President Obama for official recognition and US Secret Service protection as prescribed by law, yet they have refused. So, now they are coming to the land of my forefathers to strong arm the Chinese government and to cheat the Chinese people (poor people)!

America should learn to have better domestic measures and an internal constitution, so that when it meets with foreign nations like China she will do so on fair terms to a poor nation.

I need to pay my education loans (\$40,000 plus interest) and I need to pay my Internet fees (\$300-\$500). I have medical and dental bills, which I must responsibly pay before finally committing to China, if you are willing to have me back.

I believe in America, but I suspect that this nation is a nation of cheats and dishonest men. People seeking for themselves instead of giving to other people and nations as their Christian religion, by God, would have or command them.

Respectfully,

夏遠帝

HIM Yao Sui, Emperor of China and Son of Heaven (living in temporary exile in the United States of America), a humanitarian and peacemaker (world statesman), Chief Negotiator and Managing Partner of Lester D.K. Chow and Associates.

A loyal US citizen holding a love for the true god and by birth and genetics a true paternal Hebrew, a descendant of Eber.

Younger cousin of the late Premier Zhou Enlai; younger cousin by marriage-ties to the late Chiang Kai-shek and the late Sun Yat-sen; 8th generation descendant of Chang Cheng-kung (Koxinga); 5th

generation descendant of Lum Tse Hsu, Governor-General of Hunan and Hubei provinces, Imperial Commissioner in charge of banning opium; grandnephew of the late Henry P'u Yee Aisin-Gioro, last Emperor of China (Ch'ing Dynasty); great-grandson of Chow P'an Lung; China's current Emperor, head of state of China by virtue of title; and China's symbolic Son of Heaven.

Second-nephew of the late John Magoon, former president of Hawaiian Airlines, who is a descendant of Chun Afong, Hawaii's first Chinese millionaire (the Magoon, Ward, and Hustace families are wealthy kamaaina families descendants of Chun Afong and Hawaiian nobility); fourth-nephew of the late U.S. Senator Hiram L. Fong (R); and nephew to the current U.S. Senator Daniel K. Akaka (D), by way of Jeffery Akaka's marriage to Gail Kong.

Great-great-grandson of Chun Afong.

Second-cousin of Ralphael Kealohanui, a 4th generation line-descendant of Kamehameha III.

28th generation descendant of Tamucin (Genghis Khan).

90th generation descendant of China's patriarchal emperor Huang Di.

Three generations in my family have loyally worked at Pearl Harbor Naval Shipyard. My maternal grandfather was a shipwright, my father was a radio operator, and I worked there as a military housing carpenter.

An honest and upright man. A Christian seeking to rule all of China by the true god's hand (hoping for the love and blessings from a righteous and upright American nation).

To US Congress:

Ps: My mission in life is to serve God. This is the god of Shem, god of Abraham, Isaac, and Jacob. My mission in life is to return the god of the Chou Dynasty (Jo Dynasty) to the people of China and Iraq. I would like to be president and to have a controlling and commanding say in China and Iraq's future development, growth and prosperity. I will not yield to a corrupt America or to underhanded and evil tactics employed to cheat the Chinese people. If any nation is suffering from its own crooked dealing, then that nation should shoulder the burden for their own mistakes and not cheat the poor people of China, who should not be shouldering the financial burdens for a failed US economic policy (bailouts) and for a very costly and illegal war.

80 percent, if not all of America, have had the opportunity to avail themselves of God's blessing. 80 percent of China, if not more, are still in religious darkness, even with Christian missions coming to China from the US and the West. My mission is of and from China as we, the Chou/Jo Dynasty, are of and from China's ancient lands.

I am a good and upright American seeking to do good things for both lands, US and China. Do you think that the US wants my help? Do you think that they care to follow the laws? How about allowing me protections as given under the Vienna Convention on Diplomatic Relations 1961 and preventing citizen and police abuse? And even certain death? From our observations, we can see the true nature of man.

If China yields, its government will be overthrown. I can help both nations in this regard. Why not speak to me?

We live in a good time, where America can be great once again. Why not take the high road and leadership position. Learn from me as to what our nation should be doing. I am truly a good man, hoping and waiting upon God and looking out for your/our nation's best interest. Goodness, god, and wisdom (true light) walk hand in hand!

If I am wrong in my assessment about Hillary's mission to China, we, all, Chinese and American, can have a good laugh. If I am right, may Heaven help the poor Chinese who will get slaughtered by Hillary's insensitivity to the plight of the poor worker, Chinese people, 1,3 billion people. People who do not have god and will never see god, because their nation will be so tied up in American debt, due to Hillary's negotiation and pressure. It seems as if America and the Obama administration does not know how to manage its affairs and economic household, that they have to break the backs of the poor Chinese labor and no one cares! Well, I care.

If I were China's President, Hillary would not get anywhere with me. I do not believe in crooked and backdoor dealings. Perhaps, the

communist do and perhaps Hillary does, but there is a god up in the skies who oversees the affairs of men. I am a Christian and I try my best to be obedient to God's word. Hillary's mission is to cheat the Chinese people, because Obama's bailouts are too big to manage. Taiwan is a territory that belongs to the Chinese people and not to the republic that fled to Taiwan. With the coming of the Chou Dynasty (Jehovah's Dynasty), China will experience the blessing of God. With unequal trade and financial or monetary agreements the poor Chinese will always have to suffer. Obama is wrong and will always be wrong for America. You can not bailout the banks, housing markets, and big corporations and expect another nation to pay for our nation's misfortunes to the tune of trillions of zillions of dollars.

If the Chinese do not agree, then we will continue to arm a rogue nation and foster war eventually, thereby, against China.

This is sheer crooked politics! And not something that a good and righteous American nation should and ought to do. I ended the Iraq War or conflict, even before it got started. It was the intransigence of the Bush administration that had brought this upon us. Rather than to indict the Bush administration or to put a halt to their murderous war, our US Congress did nothing and allowed this false war and very costly war to go on.

Obama does not know what he is doing and he has allowed crooked people, people in high places, to make bad decisions once again!

If the US had employed me as their negotiator, I would not take an unlawful and crooked stand as Hillary plans to do. I would advise President Obama on what we can ethically do not only with respect to international agreements, but what our nation can do to end an illegal and very costly war. I would, also, advise him on our nation's budget and the illegal bailouts. That we can not legally expect other nation's to pay for our nation's mistakes!

The problem is that we have an inexperienced President, acting as a puppet for the wealthy, making bad decisions leading to war.

Obama is not legally an American citizen as he was truthfully born in Kenya and Congress should investigate the facts, rather than to protect an illegal President. Due to Obama's citizenship in Indonesia, he should have been disqualified from the Presidency as well as disqualified from his Illinois Senate seat.

I believe in a good America and not in a crooked and unethical, illegal, nation and President!!

When is the press ever going to publish my story!

There are good, honest, and upright solutions to the China trade problem and the same for our nation's economic burdens, yet Hillary and our nation's economic advisors have refused to implement them! Why not be good, rather than crooked?

I wish to return to China to head China, once again, as China's next President immediately. I want to Christianize the entire nation and grant or avail the people of China God's blessing and mercies. Can any measure be so wrong? I would act in harmony with Matthew 28:19,20 as a Christian.

This nation can have a win-win situation with China and with the rest of the world, but our nation's political advisors and statesmen do not know what they are doing. All they know is how to shove a round peg into a square hole. This should never be done! And I can make US foreign policy work in an honest fashion, if our government will ever give me the chance. Not only is Obama wrong, but Hillary is wrong too!

Your nation's press hides the truth and our nation is never informed as to good and upright policies!

My family's surname in Mandarin is Zhou. The Mandarin romanization is inaccurate and wrong. Cantonese comes closer to the true romanization. My family's surname of Chou or Chow is even inaccurately pronounced by the Chinese as djou. The American romanization as Jo comes closer to the actual romanization. Jo is the shortened form of God's name Jehovah. We are Hebrews who were sinocized or conscripted into forced labor under Nimrod in the Middle East (Mesopotamia), during the time of Pe'leg about 2200 BC. And therefore I have learnt about God, due to my family's coming to America (Hawaii and California) and I had hoped that God as well as the American people would have sponsored my return to China.

80 percent of America professes to be Christian and all of this nation enjoys God's blessing and bounty. Born-again Christians claim to be saved, but are they willing to do as Jesus commanded in Matthew 28:19,20? Do they work with God or against him in the preaching work or great commission?

When China becomes Christian, if it ever will, China's people will demand more of their government. Educated people want to think and to be able to form their own nation and government. To be able to exercise their God-given rights. So, Christianity and democracy is in line for China. Especially with the Chou Dynasty as China's current Imperial family. Well, lo and behold, you political decision makers so selfishly were against this in the first place and have chosen to run crooked dealings and cheat the people of China. The better policy would have been to solve your own nation's economic woes, by tightening your budget. If such will not work, then why did your illegal President and others pull a foolish stunt like a massive bailout. Something which your nation can not afford to do. Threaten people in Congress and tell them that shortages and rioting will follow, if a bailout was not in the works? Didn't your nation have any insight and was crooked dealings something which everyone in Congress closed their eyes too?

Do you people not trust in God?

Any illegal maneuver by the Obama administration, now, will be legally undone later, when a better administration comes to power in China. So, let me tell you that political corruption and threats of force in international diplomacy will not and should not prevail or succeed. I believe in the goodness of God and in the goodness of man. What Mrs. Clinton does in China will be undone and many people in the US government will be indicted for your crooked dealings with foreign nations and for an unlawful and illegal Presidency and its consequences.
